Charleston Leaders Golf Event

2026 Sponsorship

CHARLESTON Leaders

www.charlestonleaders.org

Charleston Leaders is a 501 (c)(3) non profit organization in the Lowcountry with a mission to foster and develop leadership in our community.

With over 300 business members, together we work towards our future leader growth. This Leader Golf Fundraiser directly affects and supports our program Leader Academy.

Leader Academy

Leader Academy is a program created by Charleston Leaders for High School Sophomores to discover leadership potential within themselves and to match students with community needs, community resources and community opportunities.

Our Leader Academy provides monthly interaction with community leaders and partners in a variety of discussion opportunities to examine issues facing our region. During the 2025/26 school year, leaders in the following industries hosted our student leaders: North Charleston Mayor Burgess, Roper and MUSC, our Charleston County Parks, Boeing, and Volvo!

Your participation and support for this initiative allows us to grow and develop this program in both size and scope. In the upcoming school year, we intend to grow in student participation and then in location growth.

Are you ready to tee up and benefit education and leadership at the same time?

Date: Tuesday, March 24

Start: 10 a.m.

Location: Charleston Municipal Golf Course
2110 Maybank Hwy Charleston SC 29412

This tournament is one of the largest fundraisers for Charleston Leaders. The revenue from this event supports **Leader Academy**, an initiative of Charleston Leaders.

The event includes breakfast, a morning of golf and a post-play reception. There will also be raffles and other fun activities!

For more information on our sponsorship opportunities, contact Ruthann at
